SUBJECT: Donnie Allen Idle

Dear Ed:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Dear Ted:

Thank you for your information concerning Donnie Idle. The charges of child molestation certainly are very serious and we will need more information as this case proceeds, in order to strengthen our file.

I am returning a Confidential Record Sheet to you so that you may complete it to the best of your ability. I am sure that any personal information which we can secure, which will help us identify Mr. Idle will further strengthen our identification should he try to register in some other location.

At the time the case comes to trial and is finally completed, we would like to know of any sentencing which takes place.

Dear Paul,

Please see the attached letter. This man is under indictment by the Los Angeles County Sheriff's Department for child molestation. The molestation has had to do with girls of very young age. The case has not been legally accepted by a judge as yet, but the parents of the girls are willing to give us information when and if needed.

I am securing a physical description of Idle and will be forwarding it.

He has been Scoutmaster of Troop 571, sponsored by the Norwalk California Elks Club and Den Leader for Pack 981, sponsored by Fire Station #20, meeting place Orr School.

Dear Mr. Idle:

After careful review we have decided that your registration with the Boy Scouts of America should not be renewed. We are, therefore, compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that Boy Scouts of America leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the Boy Scouts of America seeks to provide for American youth. Please also understand that this decision will be maintained as confidential.

Very truly yours,

John M. Claerhout
